

Miller Design Company

Our Packages

DESIGN CONSULTATION: \$250+GST

Hire us to walk through your home as your unbiased advisor. We will walk through the space giving small suggestions of work and design elements that could be added to give the best first impression.

HOME STAGING

Occupied Home Staging: \$550+GST

Hire us to walk through your home as a potential buyer and then implement design changes. Using your furniture along with a few of our stock items we will stage the room to maximize flow and create a lasting impression. All items brought in will incur a rental fee.

Occupied home staging includes a design consultation and staging of the main rooms (living room, kitchen, dining room, 1 bathroom, and a primary bedroom) using existing furniture. For additional rooms or spaces pricing will be adjusted.

Vacant Home Staging: \$1100+GST

Hire us to turn your vacant property into an eye-catching home. Using our furniture, we will stage your vacant property to look like a home that potential buyers can picture themselves living in.

Vacant home staging includes design consultation, staging of the main rooms (living room, kitchen, dining room, 1 bathroom, and a primary bedroom), and a 4-week furniture rental. For additional rooms or spaces pricing will be adjusted.

E-DESIGN: \$650+GST/room

Hire us to create a e-design plan for you to execute. E-design includes creating a sourcing list, choose finishes, and creating a moodboard. This includes the initial plan plus one revised plan.

FULL DESIGN: Varies by job

Hire us to help design your new build or renovation. Project scopes can vary from a full day with a designer helping pick finishes to us walking alongside and making decisions throughout the entire project.
